ABSTRAK

Pada jaman sekarang ini, sering kita jumpai orang-orang menggunakan kata-kata umpatan dalam percakapan mereka kepada teman-teman mereka dalam situasi tidak formal. Kadang-kadang mereka menggunakan kata-kata umpatan ini tidak hanya untuk menyerang seseorang atau meluapkan emosi kepada orang lain yang dapat menimbulkan kekacauan. Penggunaan kata-kata ungkapan sekarang ini berbeda dengan zaman dahulu, pada zaman dahulu, kebanyakan orang menggunakan ini hanya untuk menyerang seseorang.

Sebagai mahasiswa Universitas Katolik Soegijapranata, penulis ingin meneliti fenomena penggunaan kata-kata umpatan yang terjadi di kalangan mahasiswa pria Universitas Katolik Soegijapranata terutama yang sering terjadi di rumah kos.

Penelitian ini melibatkan lima mahasiswa pria Universitas Katolik Soegijapranata dari berbagai fakultas, yang tinggal dalam satu kos. Penulis merekam pembicaraan mereka, menulis kembali percakapan mereka dan memberikan interview kepada mereka untuk mengetahui tujuan apa mereka menggunakan kata-kata ungkapan, kemudian penulis menganalisa dan mengkategorikan kata-kata umpatan untuk mengetahui kata-kata umpatan apa yang sering digunakan.

Hasil penelitian ini menunjukkan bahwa sekarang ini kata-kata umpatan sering digunakan karena kebiasaan mereka dalam percakapan sehari-hari, bukan untuk menyerang seseorang yang dapat menimbulkan kekacauan atau perselisihan. Mereka menggunakan kata-kata umpatan juga untuk memperdekat hubungan mereka, sehingga bagi mereka kata-kata umpatan itu kebiasaan yang lazim digunakan dalam percakapan sehari-hari. Selain itu juga penulis menemukan bahwa kata-kata ungkapan bisa dipakai oleh siapapun tidak memandang latar belakang dan status sosial dari pengguna.

ABSTRACT

Nowdays, we often see people use swear words in the informal conversation. Sometimes, they do not just use it to attack or to express their emotions which can cause a trouble. Now, the use of swear words is different. Because they use the swear words as their habit.

As a student of Soegijapranata Catholic University, the writer wants to do the research about the phenomena of using the swear words happening between the male students of Soegijapranata Catholic University especially the one which commonly happened in a boarding house.

The participants of the research with five male students of Soegijapranata Catholic University coming from different faculties living in one boarding house. The writer recorded their conversations, transcribes them and interviewed to them to know the reasons of using swear words. After that, the writer analyzed and categorized the swear words to identify the commonly used swear words.

The result of the research shows that nowadays swear words are usually used as their habit, it is not to curse someone. They also use the swear words to make the relationship closer. As result, the use of swear words becomes common in daily conversations. The writer also found that the swear words are commonly used by people from different status and background.
